Responsible Service of Alcohol Training Continues in 2005

Afternoon 2pm—4.30pm or Evening 5.30pm—7.30pm

**Thurs. 3 March 2005: Tues, 19th April 2005:
Tuesday 3 May 2005: and 21 June 2005:**

Delivered by the Master Grocers on behalf of Liquor Licensing Victoria at the Malvern office, these training sessions are vital to ensure your staff are trained appropriately under the law.

Important note 1: The Act now requires that anyone in control of the liquor department at any time must complete this course. You therefore need to have more than one person trained to cover all opening hours.

Important note 2: Those staff who have already completed this certificate in a face to face training session can update their certificate annually on the LLV website and do not have to attend further training sessions. They are of course welcome to attend if this is preferred.

(Chinese and Vietnamese assistance is also available).
