

The Glenlivet French Oak Reserve Brings New Expression To Pioneering Spirit

The Glenlivet is introducing a new single malt to its acclaimed range with the launch of The Glenlivet 15 year old French Oak Reserve single malt Scotch whisky.

Master Distiller Jim Cryle said: "This is a beautifully balanced, rich and mellow whisky with a long, creamy finish that both connoisseurs and enthusiasts will savour."

He continued: "Selective maturation in new Limousin oak casks, usually reserved for wine, has added delicate overtones of the spices highly prized in fine wines, while perfectly complementing the subtle elegance of the original single".
