

One More IGA Express

Melbourne has yet another IGA Express store, this time in St Kilda Road opposite the Shrine of Remembrance.

Owned by Salam Rasool the store is positioned in St Kilda Road under an apartment building and is proving popular amongst the local residents as well as the many office workers in the area.

The store was built in an area formerly occupied by a cafe and continues to supply a brisk sandwich trade from the small deli cabinet at the checkouts.

Pictured top left is Salam's brother Naz the store manager.
