

ready4work

Now Available Nationally

Master Grocers recognises the current skills crisis in the independent sector and has developed and pilot tested an industry specific ready4work training program which aims to provide employers within the independent grocery and liquor industry with suitably trained "job ready" candidates.

The program has been developed to be delivered on line so that the potential employee can complete it prior to starting in the workplace – anywhere in the country at any time of the day or night.

The program covers such areas as basic OH&S, Personal Presentation, Workplace Behaviour, Basic Communication, Customer Service, Theft and Difficult Situations.

Training is written in line with 6 units from the Retail Industry Training Qualification giving the employee a head start to completing a Certificate II qualification, online assessment provides evidence that the employee understands many of their basic responsibilities prior to commencing work.

Course Cost

The fee for this course is \$165pp which includes GST. Fees can be offset when recruiting through a Job Network provider.

Job Network providers are in almost every town in Australia, for your nearest centre go to: www.jobnetwork.gov.au

Purchasing

Ready4work can be purchased as a CD ROM or can be completed directly through the internet.

Visit our website at: www.mga.asn.au for further information and booking processes.

Delivery

Please allow 5 working days after payment for delivery of your CD ROM. If purchasing the online program your details will be emailed to you after receipt of payment.

Local Job Networks have potential candidates that can meet the recruitment needs of independent supermarket and liquor store operators.

Job Networks can put these potential candidates through the ready4work course at no-cost to you or the candidate, providing you with a well trained new starter.

Job Networks recruitment services are also at no-cost to independent operators assisting you to find staff and to manage your recruitment process.

You can find your local Job Network at www.jobnetwork.gov.au
