

Benefits 4 business

Specific Industry Training

- Training is endorsed by the Master Grocers Association, the national employer association for the independent grocery and liquor sector.
- The course is tested and successful job seekers receive a Certificate which is recognised by the Master Grocers Association
- Training focuses on the things potential employees need to know eg. Casual, Part time or full time arrangements, expectations in the workplace, workplace law
- It is the vision of Master Grocer's that over time this training will become widely recognised and accepted as the minimum qualification required to enter into the independent grocery or liquor sector

Nationally Recognised Training

- The course outcomes map to 6 units of competency from the nationally endorsed Retail Training Package

MGA's Pre-Employment Program goes "Global" in Western Sydney

After successfully piloting their ready4work program in partnership with Direct Recruitment with 26 participants across Victoria, MGA is proud to announce the program's availability in Western Sydney through Global Skills.

Global Skills is a Job Network member established in 1990 to provide job seekers with quality training and job search support services in Western Sydney, with offices in Penrith, Mt Druitt, Parramatta and Blacktown.

Global Skills can help you with applicants that are ready4work.

For further information on Global Skills or to contact them go to their website www.globalskills.com.au or call:

Penrith 02 4732 1469 **Mt Druitt** 02 9675 4216

Blacktown 02 9676 7699 **Parramatta** 02 9633 2139

Benefits 4 employers

Save time - candidates complete the training prior to entering your worksite

- Prior to employment, participants will complete online training that is relevant to the workplace saving time in the initial stages of employment

Save costs – training is completed online before they start work

Get the right people

- Find people that have demonstrated an interest in working in your industry
- Gain a better understanding of your employees capabilities prior to employing them
- Employ people that are trained specifically for your industry, your language your processes
- Staff knowledge is tested to ensure understanding of the course content and in turn your industry
- Successful employees receive a MGA Recognised Certificate which demonstrates their completion of the course and readiness to start work
- Recruitment agencies including Job Network providers are using the ready4work program with their candidates– many of their services are free of charge which means less cost and less hassle for you

“Master Grocers Australia is committed to the ongoing success of this product and improving the independent sector”
