Corporate Memberships

MGA has always been proud of its close and productive relationships with all industry stakeholders. MGA wishes to foster developing relationships to grow our industry presence.

Suppliers have recognized that the independent supermarket channel is a force to be reckoned with and has become a rich opportunity to develop profitable business away from the restrictive duopoly constraints of Coles and Woolworths. Many suppliers have indicated they would like to have a closer networking and business connection with the independent supermarket channel.

As a consequence MGA will be launching its Corporate Membership program to suppliers. Membership packages will be structured to provide suppliers with a choice and frequency of industry promotion, marketing and networking opportunities. Packages will be Platinum, Gold and Silver.
