

### Travelling Tassie Safely

Imagine this; beautiful scenery, magnificent coastline, history everywhere and absolutely fantastic people. Where am I, in Tasmania of course auditing IGA supermarkets in amazing places like St Helens, Beaconsfield, Bicheno, Swansea, Scottsdale, Campbelltown, Shearwater and Exeter.

The owners of these eight IGA stores invited MGA consultants to visit and conduct safety audits during October. Most of the owners had been on a MGA training courses a few months earlier and were keen to see where their safety systems were at. The consultants provided on the spot advice and forwarded comprehensive reports about compliance with recommendations for improvement.
