

ALARMING FACT:

Shoplifting estimated to have cost \$5.5 billion in 2008*

As the economy worsens and household budgets tighten, Australian grocery retailers are bracing themselves for a sharp increase in theft.

With a range of small, high value stock and family necessities such as razors, baby food and batteries, independent grocers are especially vulnerable. Left unmanaged, stock loss can be devastating to the profitability of your store.

Fortunately ADT Security can help with flexible and affordable end-to-end security solutions trusted by 80% of the world's top 100 retailers. By deterring and detecting thieves day and night, we help you minimise shrinkage and maximise profits.

- Proven Sensormatic® electronic article surveillance systems
- Anti-theft labels and reusable tags for razors, sunglasses, hats, toys, gifts and small items
- Unobtrusive exit surveillance and pedestals
- Source-tagging
- 24/7 monitored intruder and smoke alarms
- Access control and cash register tracking
- Closed circuit television and video surveillance
- Smart analysis and reporting for simpler store management
