

DRINK PRICES MAY GO UP SLIGHTLY WITH THE ACT CDS

**BUT YOU CAN GET A
10 CENT REFUND FOR EACH
ELIGIBLE CONTAINER**

The ACT Container Deposit Scheme is operational from 30 June 2018. From then on, you'll be able to return eligible drink containers to a return point and receive a 10 cent refund for each one.

There may be a price increase in line with industry costs of administering the scheme, but you can offset this by returning eligible containers for a 10 cent refund. You'll be reducing litter and helping the environment too.
